

Blackbird Capital II | A/c purchase | 12-21 | 5xA/c

Chinese bank-backed CDB Aviation has agreed the sale of a portfolio of four Airbus A320-family aircraft and a Boeing 737-800 to certain special purpose companies controlled by US leasing entity Blackbird Capital II.

The five aircraft under the transaction are expected to be delivered by 31 December 2021, CDB Leasing said in an exchange filing.

Blackbird Capital II is a joint venture established by Air Lease (ALC) and a private equity fund managed by Napier Park Global Capital (US).
