Eleven aircraft were introduced via the Guangzhou Nansha free trade zone (FTP) in the second half of 2020, according to a filing with Guangzhou customs.

The filing said that 11 aircraft were introduced under finance leases via the Nansha FTP from July 2020, almost twice as many as in the first half.

On 9 December, China Southern introduced a new Airbus A321neo on finance lease with its leasing arm China Southern Air Leasing.

The aircraft was the 15th aircraft introduced via the Nansha FTP since the beginning of this year.
