Airborne Capital has named Daniel Claffey as new technical director, based in Shannon, Ireland.

He has previously worked at Engine Lease Finance (ELFC) as a powerplant engineer but most recently worked within Goshawk's technical asset management team for seven years.

Claffey began his career as an engineer at Ryanair.

Airborne Capital is a specialist aircraft leasing and asset management business headquartered in Ireland and with a presence in Shannon, Dublin, London, New York, Hong Kong and Tokyo.

It was established in 2017 and manages approximately \$2 billion of aircraft assets.

The company recently hired Bruno Benveniste-Profichet to support its commercial activities in the Asia-Pacific region.
