GOAL Aircraft Leasing has welcomed three new directors to its management team.

Andreas Schneider has joined the lessor as director of sales and marketing.

Schneider previously served as vice president commercial aircraft at Blueberry Aviation, responsible for business development activities of Blueberry's commercial aircraft services including aircraft sourcing and remarketing, aircraft lease and asset management.

Between 2001 and 2013 he worked at Lufthansa Technik, including senior manager product sales for Lufthansa Technik's aircraft engine services in the Asia-Pacific region.

Nico Stenger has been promoted to technical director, having previously worked at the company as an aircraft manager and senior technical manager. He joined GOAL in 2017.

Can Uzumcuoglu has also been hired as technical director. He previously worked as technical director at Doric.

Prior to Doric he worked in powerplant engineer positions at Sunexpress and Turkish Technic.
